ABOUT US

Kaizon is a synonym of quality. It is a well known Indian manufacturer of hardware products. Established in 1989, it is one of the pioneers in hardware Industry.

Headquartered in Ahmedabad (Gujarat), Kaizon hardware is known for its constant innovation with cutting edge technology, to anticipate every need by contemporary homes and office.

Kaizon was the vision of a man with big dreams- Mr. Vallabhbhai Patel. Today his sons Mr. Kalpesh Patel and Mr. Kelvin Patel have joined the organization with an eternal pursuit of excellence to develop it worldwide.

With an open mind and with every ounce, we are always in the forefront to push our boundaries and provide the finest products with best in class services.

OUR PRODUCTS

Door Control series | Door Kits | Door and Window fittings | Range of Cabinet Handles | Bathroom Accessories | Main door locksMagnetic Door Catchers, holders and Wheel Castors | Hinges series | Glass fitting series | Furniture Accessories | Main door locks | Kitchen Accessories

FOREWORD

A kitchen is the soul of a home, where the family meets and enjoys. Kitchen is the most integral place in our Home.

Our motto is to create unique ultra-modern looks and ease-full functionality to this integral part of our Home, the Kitchen. For that we believe to present continuous unique innovation in our Kitchen Hardware collection.

With KITCHEN ACCESSORIES from Kaizon Hardware, you will get new and unique aspired designs. Our Compact Drawer System solutions are designed to create definitely a mesmerizing experience to you while using it.

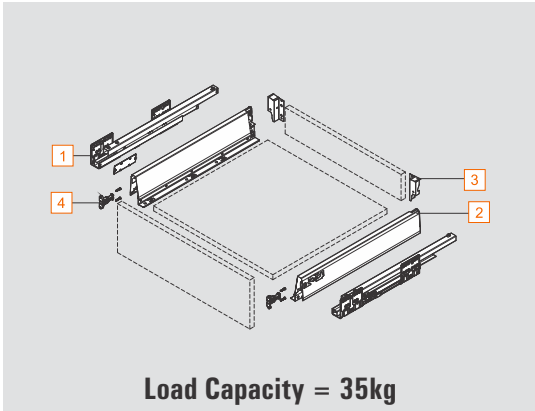

From interior drawers to high front pull-outs, to open or closed drawers, we have brought the best space solutions with the proven technology. Uniform designs in design applications.

With having a vision of higher business goals, we look forward to creating a difference from your daily routine life to the inimitable life which anyone can just ever think of.
